PREFACE

WESTERN THOROUGHBRED is two years old and as with all two-year-olds, is now entering a critical point in development. I hope to bring the racing fraternity, and fans, a book that meets with their approval.

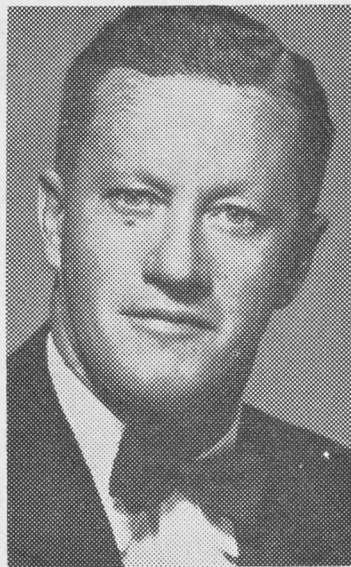

I especially wish to thank the advertisers, who have favored us by buying space for their products and services and would suggest to all readers of this publication that they give support to these people, whenever and wherever they can, for without their "ads", this book would not be, or could not continue.

I also want to thank Triangle Publications Inc., Western Canada Racing Association, Assiniboia Downs Ltd., and the Southern Alberta Racing Association, for their splendid co-operation in supplying data and information and assisting in every way possible.

Wishing everyone the best of luck for '66 and hoping to see you all at the races, I am

Yours sincerely,

W. W. "BILL" ACTON,

EXPLANATION

WESTERN THOROUGHBRED has recorded as simply as possible the 1965 performances of all horses on Western tracks.

Races are listed in order, beginning with the first race of the season.

Each race is listed by track and date, distance, type of race, placing, if in the first five and track condition in parenthesis, e.g., "Ceg Au15 5-1000-3(h)" simply means the horse in question ran in Calgary on the 15th of August, at a distance of 5 furlongs for a claiming price of \$1,000, finishing third—on a heavy track.

PLEASE NOTE: Unless otherwise specified and no track condition is shown, track condition will be considered as fast;(m) muddy, (s) slow, (sy) sloppy, (g) good, (h) heavy.

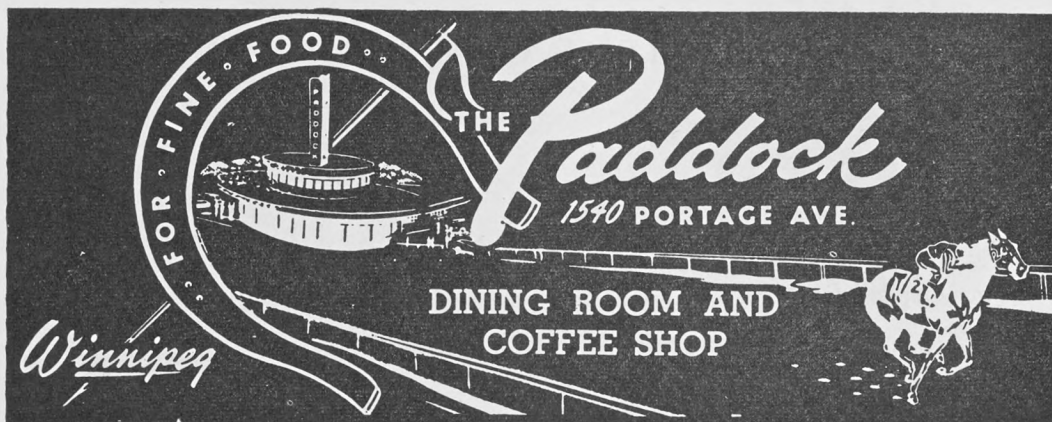

In races other than claiming, "mdns" means a maiden or non-winners' race, "alw" allowance, "SpW" special weights, "hcp" handicap, and "stks" stakes.

Distances are shown by "3" for three furlongs, etc., with "M" for one mile.

Performances cover racing at Calgary (Ceg), Edmonton (Edm), Saskatoon (Skn), Regina (Reg), Winnipeg (Wpg), and Lethbridge (Lbg).

"THE WHISTLER"

... brings fame and recognition to Western Canada

WHISTLING SEA, son of Alibasto—B Fast, by Bunty Lawless, bred by "Les" Saunders of Bowden, Alberta and trained by a native Calgarian, Roy Johnson, captured the 106th running of the Queen's Plate, to record Western Canada's first success in the oldest continuously run stakes event in North America and to earn first money of \$47,694 for his owner Paul Olivier, business man of Calgary, who was also presented with 50 gold sovereigns, by the Queen Mother.

WHISTLING SEA, regarded as "just a sprinter" by his trainer, sprinted from start to finish in the 1¼-mile classic "Run for the Guineas" to win by almost two lengths.

WILY WALTZER

... "dancing" to victory, Stampede Futurity

TWO-YEAR-OLDS OF 1965

1965 was a year of outstanding two-year-olds, and we feel it is only fitting, that, not one, but two juveniles be acclaimed, because of their impressive triumphs. Both gave brilliant performances and deserve equal honors.

Crown Prince of the Prairies for 1965 is WILY WALTZER, Flamingo Stables leased chestnut colt, strapping son of *Pleiades 2nd—Waltzing Doll, by Bolero, bred and owned by Mrs. Jean L. Johnson. "The Waltzer" danced his way to his first victory, winning a three-furlong maidens, followed by a win in a five-furlong handicap, both races in Calgary. He then took to the road where he lost by $\frac{3}{4}$ of a length in the 2nd Division of the Osiris Plate Handicap, run in Winnipeg, at Assiniboia Downs. His next outing was also in Winnipeg, where he came up with a win in a six-furlong allowance. Returning to Alberta, he captured one division of the 18th running of the Birdcatcher Stakes in Edmonton. Finishing the season and looking every inch a champion, he romped home to an impressive $6\frac{1}{2}$ length victory at Victoria Park, in the West's richest two-year-old event, the 5th running of the \$8,000 added Stampede Futurity Stakes. Throughout the season, in six starts, he gathered in five wins and a second, to amass an impressive total of \$18,512.

Crown Princess of the Prairies for 1965 is Golden West Farms' bay filly, NEW FLAG, daughter of *Royal Serenade—Princess Cohen, by Prince Simon, bred and owned by Golden West Farms Ltd. New Flag garnered top juvenile earnings of \$18,876, in seven starts, with four wins, one second and two thirds. Highlights of her career were in winning one division of the 18th running of the Birdcatcher Stakes in Edmonton, capturing the winner's slot in the 36th running of the \$10,000 added Winnipeg Futurity, in a field of six and placing second to Wily Waltzer in the Stampede Futurity Stakes. It must be noted that her sire *Royal Serenade also sired our "Horse of the Year" in 1964, Royalatche. We would like to congratulate those two fine conditioners, L. E. Dupont and Angus Fraser, who shared the handling of both champions.

During the season, a total of 229 juveniles started on the western prairies and in addition to the top two, others of particular note, deserve honorable mention. These include: C. H. Ross's GRANO SALIS; G. C. Cocoroch's FLYING LURE; W. H. "Spud" Murphy's PRETTY WISE; Mac Glen Ranches' GREEN DUST; J. P. Wolf's LOVE SPOT; Katzin & Alaskan's KLONDIKE PRINCE; T. J. Spady's CHAINED FLAG; Baha Tinda's MAIN FIRE and Borger & McKenzie's TOP DECISION.

Two-year-olds we will be watching with particular attention in the 1966 season, who showed considerable promise are: ALREADY JO, HAYMAR, FLYING NIB, BERRILLION, CAL EMIR, CATO MAJOR, FLASH ATTACK, FLASHY EVENT, LADY NORTH, PROUD CRUSADER and CHANTING VOICE.

EDITOR'S NOTE: All two-year-olds have been given a rating, based on their performance and on personal observation. Ratings range from 150 down to 100. Mud running ability is rated by one star (☆), good; two stars (☆☆), excellent, at end of breed line.

CHARIOT CHASER

THREE-YEAR-OLDS OF 1965

Undisputed Queen of the Prairies is CHARIOT CHASER, rambunctious brown filly by Count Jac—Benatha. Making her presence known on the Prairie circuit in 1965, Chariot Chaser climaxed her impressive season by winning the 36th running of the Canadian Derby and taking the 1st division of the Alberta Derby. These two victories added to her taking of the Saskatchewan Derby in Regina make her the winningest Thoroughbred in the history of the W.C.R.A. and the first Thoroughbred to win the triple crown. Owned by the Lomar Stable of Lloyd and Marjorie Wilson, of Edmonton and trained by "Red" McKenzie, Chariot Chaser garnered winnings of \$28,634 in 12 starts, with 6 wins, three seconds, two fourths and a fifth.

FLYALONG, bay colt by Flying Fury—Diesel Power, came out of the east to win the Manitoba Derby and take over second spot in the winning ranks with earnings of \$10,794. Owned by Tom Hays and Doug Weldon of Ontario and trained by D. H. "Duke" Campbell, Flyalong, off his two-year-old record was favored to win and win he did, by a neck, in a heart-stopping duel to the wire by the first four horses, only half a length separating the winner from the fourth horse, Top Cote.

CHOPSTICK, bay gelding by Chop Chop—Seiches, owned by Bill Borger and trainer "Red" McKenzie, took third place in the winning ranks with earnings of \$9,193 from 12 starts with four wins, three seconds, a third and three fourths. Highlight of his performances was when he defeated GREAT COUNCIL by a nose, winning the second division of the Alberta Derby.

During the season a total of 277 three-year-olds started on Prairie tracks. Special mention must be made of TRUE JAC, son of Count Jac—Truesday, who gave an excellent account of himself with earnings of \$7,495. Nine others in addition to the top three had earnings of over \$4,000—H. A. Schade's LADY ZENITH and TOP COTE, T. Ziegler's SALTY SULTAN, R. and J. Howe's WEED BENDER, Cymar Stable's WHIRLING RICH, Golden West Farms' LORD BEVERLEY, Flamingo Stable's TALL INDIAN and J. Hovenac's MYDAR.

EDITOR'S NOTE: Ratings range from a high of 208—for Chariot Chaser—to lows between 95 and 100, based on performance and personal observation. Mud running ability is rated by one star (☆), good; two stars (☆☆), excellent, at the end of the breed line.

MR. BRASS
... Klondyke Handicap winner

FOUR-YEAR-OLDS AND UPWARD OF 1965

MR. BRASS, four-year-old gelding, chestnut son of *Arson—Sky Meadows, advancing from the claiming ranks to win handicap and stake races to collect earnings of \$15,278, took over as the King of the Prairies. Owned and trained, primarily, by "Joe" Moka, he chalked up three wins, two seconds and a third in six starts. Claimed by the stable of J. P. Wolf for \$5,000 and ably handled by trainer "Mike" Cojocar, Mr. Brass went on to score in stake and handicap races, to the tune of three wins, three seconds and a fourth in eight starts.

He placed second to Already Dia in the Assiniboia Downs Gold Cup, then finished the season by winning the Harvest Gold Cup from a field of formidable contenders, when he covered the 1½-mile distance in 1:51, thereby setting a new track record by clipping 1 3/5 seconds off the record set by Brother Leo in 1964.

ALREADY DIA and **DOOLIN POINT**, perennial contenders for top honors were in second and third spots with only \$134 separating them.

ALREADY DIA had four wins, three seconds and a fourth to earn \$13,185 in 11 starts. Highlight was winning the Assiniboia Downs Gold Cup.

DOOLIN POINT had five wins, two seconds, three thirds and a fourth in 12 starts, with earnings of \$13,051. Highlight was in defeating Already Dia, by the proverbial nose, to win the Teeworth Plate.

Special Mention

WILD DEUCES, four-year-old bay colt, son of *Thirteen of Diamonds—Gay Runner, bids fair to becoming another Already Dia. Owned by H. E. "Doc" Symington, of Sundre, and astutely trained by Neil Cressman, he collected earnings of \$10,412 with six wins, four seconds and two thirds from 16 starts. We predict a starry future for the big bay.

OVER CURRENT, six-year-old, dark bay gelding by *Bolivar 2nd—Lorelle, owned by J. P. Wolf and trained by "Mike" Cojocar earned \$7,330 in four starts with a second, and an impressive win over Already Dia in the Speed To Spare Handicap while setting a new track record in the time of 1:52 2/5 for the 1½ distance. Keep your eyes on this one.

679 Starters

During the season 679 started in the four-year-old-and-up bracket, of which 15 performers, including three platers, earned in excess of \$5,000. These included: **POPSAYSNO** (\$8,595), **NAGNAC** (\$8,380), **COMMON MARKET** (\$7,888), **LAST HOUR** (\$6,740), **EAN TUDOR** (\$6,446), **EASTER ECHO** (\$5,767), **CRUISE CONTROL** \$5,625, **EIFFEL'S ORDER** (\$5,215), **TOLLOVEE** (\$5,207), and **SEA GLASS** (\$5,006).

EDITOR'S NOTE: All starters, four years and up have been given ratings, based on performance, consistency and personal observation. Ratings range from a high of 208 to a low of 95. Mud running ability is rated by one star (☆) for good; and two stars (☆☆) for excellent, at the end of the breed line.

HEART BEAT

In the hearts and minds of many racing buffs, one horse holds a special niche. "Flashy Ways" holds that spot in my heart. He wasn't Man O' War, Kelso or any of those great names but he had his own special charm. He loved the track and was a great performer, not only when running but after the race was won. He'd throw up his head and look the photographer straight in the eye as much as to say "Make it good now." Upon moving from one track to another, "Flash" didn't have to be led, he'd walk straight out of his stall and right onto the truck or trailer. He knew where he was going. No matter where I was, if I knew "Flash" was going to race, I'd be there, just for the sheer pleasure of watching him put on his act. At any rate, now he is gone and the track isn't quite the same for me, and so for "Flash" and countless others who felt the same as I about the big bay, I give you my little tribute.

IN MEMORY OF "FLASHY WAYS"

Flashy in name and flashy in ways
 A big bay gelding, who raced to the last of his
 days.
 Always trying out on the track,
 He'd thrill us all when he came from the back.
 I remember the year, when top money he won,
 I remember the day his last race was run
 He broke well from the gate and raced for the
 turn,
 Poured on the speed, then faltered and we knew
 he was done.
 He's gone from the track, but his memory stays
 Dear big-hearted, loyal and game "FLASHY
 WAYS".

TURF TIDBITS

CHARIOT CHASER, winningest Thoroughbred in the history of Thoroughbred racing on the prairies, is to be bred to either Nearctic or Victoria Park, so has taken up residence in Ontario, for the time being.

TITLED HERO, owned by Peter Marshall, was considered the best two-year-old by 18 votes, after he had earned \$104,076, a record for a juvenile racing in Canada.

GEORGE ROYAL

George Royal, four-year-old gelding purchased for \$1,500 as a yearling by Ernie Hammond and Bob Hall of Vancouver, has been named Canada's Horse of the Year.

Only six of 19 votes by turf writers and commentators in the annual poll by the Daily Racing Form were against the selection.

George Royal was also named best older horse of the year.

Choice of George Royal marked the second time in the poll's 15-year history a horse from outside Toronto has won.

DERBY BOOST

J. C. Hardy, president of Assiniboia Downs, has announced that the purse for the 19th running of the Manitoba Derby for Canadian-bred three-year-olds to be contested in 1967, will be increased to \$12,500 added from the present purse of \$10,000 added.

Another change in the conditions of this race is that the original nominators of the first three horses receive awards of \$500, \$200 and \$100. This should prove an added incentive for more nominations to this race.

With the increase in purse value, the winning owner should receive approximately \$15,000, and the value of the race should gross \$25,000.

The Manitoba Derby with its colorful Derby breakfast, and the presentation of the Manitoba Tartan Jacket to the winning owner, has become the highlight of Manitoba's racing season.

BUCKPASSER IS NAMED TOP TWO-YEAR-OLD COLT

The Thoroughbred Racing Associations Board of Selection had little trouble in naming Jockey Club Chairman Ogden Phipps' Buckpasser the Champion two-year-old colt of 1965. The bay son of Tom Fool and War Admiral's daughter, Busanda, won nine of his eleven races and earned \$598,596 to establish an earnings record for a two-year-old.

Buckpasser's victories included six stakes—the National Stallion, Tremont and Champagne at Aqueduct; Monmouth Park's Sapling; the Hopeful at Saratoga and the Arlington-Washington Futurity. He was fourth in his first start and the only other time he was beaten might have been attributed to a gentlemanly gesture. In The Futurity at Aqueduct, after eight straight victories, he came up to Hirsch Jacobs' crack filly, Priceless Gem at the quarter pole and would not (or could not) pass her.

Buckpasser gave every indication of being a colt of classic potentiality. In the Monmouth Park's Sapling Stakes at 6 furlongs he was literally left at the post and still won. "He seems to want to run at horses," says trainer Bill Winfrey who noted "this is the sort of good sign that Native Dancer showed me. This colt acts like a natural stayer." In the National Stallion Stakes Buckpasser walked out of the gate and still got up to share a dead-heat with Hospitality.

In Buckpasser's final start this year, the Champagne Stakes, he and his stablemate Impressive, were made supplemental nominees at \$10,000 each. It proved a good investment, the winner's share being \$163,875.

Buckpasser was bred by Ogden Phipps who also bred and raced his dam Busanda. He was ridden in all of his races by Braulio Baeza.

WHAT'S IN A NAME?

Nobel Threewitt is a smart western trainer of thoroughbreds. . . . Jockeys are Young (R.E.), Small (S.), Long (D.), Lawless (R.), Wilder (M.), Savage (D.), Petty (R.). . . . A Steward, the disciplinarian on the race track, is Fair (H.C.) of the National Steeplechase and Hunt Association. . . . The starter at Bowie, Pimlico, Laurel, to name a few of his posts, is Blind, first name Edward. Tom Trotter is Thoroughbred racing secretary at the New York tracks. The names of the first three horses past the finish once spelled out a good synopsis for a Frank Merriwell story: Goal To Go—Say No More—Swoosh.

LONELY WINNER

Largest winning margin ever piled up by a horse in a major race at Pimlico was 40 lengths by which Miss Grillo, with Conn McCreary up, won the Pimlico Cup in 1947 at the Baltimore course.

RACES WON

The record for the most races won, and perhaps for consistency, belongs to Kingston, a brown horse by Spendrift foaled in 1884. In eight seasons he started 138 times, won 89 races, was 34 times second, and 11 times third. Only four times out of the money he earned \$138,917.

AGED PAIR

It is extremely rare on North American tracks to see a horse over 10 years of age, but in Japan a 14-year-old gelding won a race, ridden by a jockey who was 72.

FIRST NAMED RACE HORSE

The first named race horse in American records was the pure white Young Fire, owned by John Gardiner who offered to race him against any comer for 1,000 pounds of tobacco "and twenty shillings in coin."

EARLY RACE TRACKS ON MAIN STREET

The early American race track was any convenient piece of level cleared land over which a "race path" might be marked out. Or, as was the case in Louisville, Lexington, Philadelphia and other centres of population the race was run down the main street. Race Street in Philadelphia was originally called Sassafras Street-but while the city fathers did eliminate the racing in the street they couldn't eliminate the name and finally made it official.

The first dirt, or skinned track, and also the first track to be completely circled by rails, was the famed Union Course, built in 1819 on Long Island.

The first known business venture in race track management was at the Church Farm course in New York City, a holding of Trinity Church which in 1736 was in the hands of one Francis Child who advertised in the New York Gazette that: "All persons coming into the field, the subscribers and winning horses only excepted, are to pay six pence each to the owner of the grounds."

A HORSE OF ANOTHER COLOR

While the Black Stallion is the fabled hero of much horse literature he has not been among the Champions of recent years nor does he appear in the Daily Racing Form gallery of all-time greats. However, neither did grey horses until Native Dancer retired in 1954 the winner of 21 of 22 starts and \$785,240.

Any relationship between performance and coat color in the Thoroughbred remains to be proved though there are preferences for and prejudices against certain colors.

Taking random letters in the foal book and checking the produce of the mares listed there-under (3,479 foals) and taking the stakes winners for 3 years at random we find a ratio of roughly 43% bay, 31% chestnut, 20% brown, 2% grey, 2% roan and 2% black. An extremely rare color, registered perhaps two or three times each year by the Jockey Club, is dun.

PEDIGREES

All modern pedigrees are traceable through sire, grandsire, etc. to three lines—those of ECLIPSE (1764), a great, great-grandson of the Darley Arabian; MATCHEM (1748), a grandson of the Godolphin Arabian; and HEROD (1758), a great, great-grandson of the Byerly Turk. There is likewise a limited number of families, all Thoroughbreds being traceable, through dam, granddam, etc. either to one of some 40-odd so-called "tap-root" mares identified by a number assigned by Bruce Lowe, an Australian breeding theoretician, or to some 20-odd American family foundation mares.

While all Thoroughbreds have a common ancestor in one of the lines mentioned above, Eclipse, Matchem or Herod, there are sons of these horses which have themselves established lines. The so-called American lines are those of DOMINO, BEN BRUSH and FAIR PLAY. Currently prominent stallions representing these lines are: Bimelech, Revoked, Spy Song and Double Jay (Dominio); Hal Tal, Rosemont, Jack High and With Regards (Ben Brush); and War Admiral, Discovery and Mr. Busher (Fair Play).

WINNING POST POSITIONS, 1965

Statistics of the winning post positions on Prairie tracks in 1965 once again show the value of the "inside" post position.

Post position No. 1, on the basis of all races, shows a percentage of 24.93; No. 3 was in second place with 15.54, closely followed by No. 2 with 13.98 per cent.

On three tracks—Calgary, Saskatoon and Winnipeg—No. 1 won the most races. At Edmonton and Lethbridge it was No. 3. Regina proved the exception by a very narrow margin with No. 8 winning the most races, No. 6 a close second, although on the basis of all Regina races, it was practically a 50-50 proposition across the board, with 33 races being won from the first four post positions and 34 races from the No. 5 to No. 8 position. It is of particular note that Nos. 1, 3, 4 and 5 were a dead heat with nine wins each.

The following are statistics covering all Prairie tracks and all distances.

MR. BRASS swerved to inside soon after start, was straightened quickly, steaded within striking distance of the pace, rallied mildly when roused but was not good enough. MCGREGOR GLEN in hand to far turn, came through along the inside with a belated rally. FINAL JEST made a brief challenge on final turn and weakened. FORT ROUGE in hand close behind early leader, moved on outside with the ultimate winner, alternated on the lead until straightened for the drive and continued on willingly under pressure. STRAYED INN assumed early command, gave way after three furlongs, dropped back, was given a slight breather, came again in stretch but was not good enough. SOMEBODY CRY went evenly. ANGUS GLEN was never prominent. SANK SAME made a mild move after a quarter mile, failed to reach leaders and retired steadily.

FLYALONG, never far off the leaders under steady restraint, moved closer after a half mile, was not urged on the turn out of the backstretch, was roused once straightening in the drive and after getting to front, dogged his challengers to the end while not extended. LADY ZENITH broke on top, established the pace, turned back early bids of MY SWEET LOVE and ELAN VITAL, remained along the inside into stretch and continued on willingly. LORD BEVERLEY well placed after a half mile, responded when called on, drew close to leader but was not good enough. TOP COTE steadied along the inside attempted to get inside of stablemate along rail, was blocked, took out and came on at the end. The others were never in trouble. A stewards' enquiry failed to detect any infraction of the rules.

CHARIOT CHASER, well back for a half, moved up gradually on the outside, was bumped out slightly on the turn by SALTY SULTAN, responded swiftly when set down for the drive and drew out to win with authority. SALTY SULTAN, held in contending position throughout, finished gamely but was not good enough. SOLAR APEX, forcing the pace early, moved abreast of ROYALATACHE after the half, pulled out on the backstretch to enter the stretch with a clear margin, then stopped suddenly. STORMY ALLY held well out while far back, showed a good finishing move. ROYALATACHE tired badly after seven furlongs. BLUE TUQUE and RES IPSA started from outside the gate.

ASSINIBOIA'S BRUCE BOREHAM
HONORED BY CITY OF WINNIPEG

Winnipeg-born Bruce Boreham, public relations director of Assiniboia Downs, was recently made an "Honorary Citizen" of that Manitoba city by Mayor Stephen Juba.

Prior to his association with Assiniboia Downs, which began when the track opened in 1958, Boreham had devoted more than half a century to newspaper and public relations work in various parts of Canada.

A. G. "Scotty" Kennedy, General Manager of Assiniboia Downs, acting as "publicity director" for his publicity director, reports:

"Mayor Juba paid high tribute to Boreham, not only as a citizen of Metropolitan Winnipeg, but for his general contribution to many organizations for the betterment of Winnipeg during his long career. The Mayor made special reference to his years of work with the Shriners Hospital for Crippled Children.

"This is a well-deserved honor for a man who has made a lot of friends for racing in Manitoba in general and Assiniboia Downs in particular," Kennedy said.

This race was run as the Speers Handicap in Winnipeg from 1926 to 1956. Following the death of Mr. Speers the race fans at Assiniboia Downs were given an opportunity to name a race which would perpetuate the memory of one of Canada's greatest Thoroughbred breeders and owners. The name chosen was the R. James Speers Memorial Handicap and is run at Assiniboia Downs each July 1st as the feature on Canada's national holiday program. A magnificent trophy in the form of an "Open Book" has been presented for annual competition by the H.B.P.A. of Western Canada and suitable mementos go to owner, jockey and trainer.

W.C.R.A. BONUS PURSES TOTAL \$1,057,633

By MORRIS TAYLOR

The biggest purse bonanza in the history of Thoroughbred racing in Western Canada, a total of \$1,057,633, was paid out to horsemen whose stock performed successfully during the 93-day 1965 Alberta-Saskatchewan racing season.

This marked a major boost over the previous circuit record of \$953,522, set in 1964.

Under a standing agreement between the Horsemen's Benevolent and Protective Association and the Western Canada Racing Association, representing tracks at Calgary, Edmonton, Saskatoon and Regina, a total of 57½% of the track's 9% take-out from the pari-mutuel betting is channelled into purses, and with wogering at the four cities reaching a record \$20,437,354, purses amounted to an all-time high of \$1,057,633.

During the season, a total of \$939,698 was paid out, leaving a net of \$116,935 to be distributed in the form of bonus purses. This amount brings the gross bonus purses paid out over the past eight years to \$439,416.

All races held last season with a purse value of less than \$5,000 participate in the bonus and this accounted for 732 events with each receiving a bonus of \$159.74. Broken down to actual distribution, this amounts to 63% or \$100.64 for a winning race; 20% or \$31.95 to second; 10% or \$15.97 to third; 5% or \$7.99 to fourth and 2% or \$3.19 to fifth.

With minimum purses at Calgary, Edmonton, Saskatoon and Regina established at \$1,000 for the summer, this boosts the lowest purse paid to \$1,159.74, highest for any tracks on the prairies.

Largest bonus cheque went to the J. P. Wolf Stable of Calgary who received a bonus of \$2,407.

WESTERN RIDING STATISTICS, 1965

FRANK BARROBY "KING OF THE BULL-RING"

Frank Barroby, hard riding 111-pounder from Ravenscrag, Saskatchewan, took top honors as leading rider in 1965, on the Prairies.

This was Frank's first full season on the W.C.R.A. circuit. He jumped into the lead with 17 winners, at the week-long meet in Saskatoon and never looked back, even though sidelined for nearly two weeks with pneumonia.

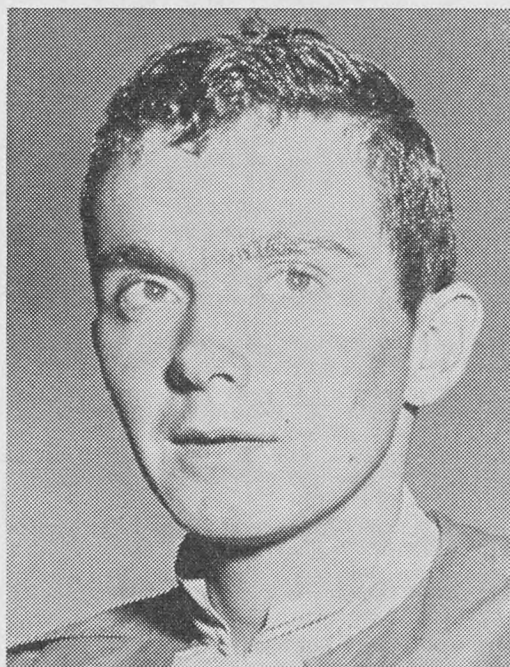

Frank Barroby, although only 22 years of age is no newcomer to the riding game. He's had more than 200 winners, in each of the last two years, over various courses, besides holding the record at Assiniboia Downs for riding 78 winners in 42 days, two years ago.

After his phenomenal season here in the West, with 128 victories to his credit, he decided to try his luck at New Woodbine, Ontario, with not too much success, as he was relatively unknown. Then, he moved to Greenwood Race Track (Toronto) and once again his remarkable riding came to the fore and he finished the season, second in Canada to Hugo Dittfach, leading Canadian rider.

Now, known as "King of the Bull-ring Barroby" in the east, he has made a very favorable impression on all connected with the sport of racing and it is predicted that he will not be back this way next year, but will be in Fort Erie, when racing opens in 1966. Western Thoroughbred wishes young Barroby the very best of luck and may his dreams of riding in the Queen's Plate and the Kentucky Derby, come true.

Second, on both the WCRA and SARA circuits, was "Sandy the Dandy" Shields, Derby King of the Prairies, with a total of 109 winners.

Dick Armstrong, saddlesmith from Maple Creek, Saskatchewan, rode to his third title at Assiniboia Downs with 37 wins and Jim Anderson, Winnipeg rider, took over top honors at the Lethbridge meeting with 15 victories.

RACING MANAGEMENT

By MORRIS TAYLOR

Throughout the year, turf fans will often see reference made to the Western Canada Racing Association, in connection with meetings held at Calgary, Edmonton, Saskatoon and Regina, but many are not too clear on the exact function of this organization.

Accepted thoroughbred racing as we know it today, started back in 1925 under control of the R. James Speers Corporation, a Winnipeg-based firm which undertook to stage race meetings in the provinces of Alberta, Manitoba and Saskatchewan on a corporate, profit making basis. This scheme continued until the fall of 1956, when the Speers group withdrew from the thoroughbred sport leaving the Exhibitions of Calgary, Edmonton, Saskatoon and Regina without a managerial set-up capable of maintaining the high standards that had been established in the past.

Searching for a solution to this problem, the Exhibition managers acquired the services of Henry Louis Davies, former operating manager of the Speers Corporation and a veteran of more than 35 years in the racing business. To Davies, fell the task of creating a workable organization of top officials, with which to continue the racing operation in the four cities.

Quick to act, Davies had soon gathered around him the nucleus of the old Speers corporation staff and with headquarters moved to a permanent office building in Edmonton, the firm, known as Western Canada Racing Association Ltd. came into being in 1957. With the loss of Winnipeg, whose last surviving track had been demolished in 1956, the circuit shrunk to a mere 73 days that first summer, but class of racing and fan acceptance continued at new record levels for the four cities. Now, acting with confidence, the Exhibitions began to take a more active interest in the promotion of

the sport which now belonged solely to each Fair and ensuing years saw marked physical changes take place at each track.

Since 1957, Northlands Park in Edmonton has either replaced or modernized every existing building on their grounds, with a new barn area, paddock, racing strip and clubhouse coming into being during this period. Calgary, Saskatoon and Regina likewise invested in fan comfort over the years with new mezzanine floors and mutuel facilities added.

The number of racing days in Alberta and Saskatchewan has grown from the 73 days back in 1957 to 94 days for the 1965 season. Purses to horsemen have similarly shown a fabulous growth from the \$707,934 paid in that first year of operation to the all-time record of \$1,057,633 given out to horse owners last year.

Names like Canadian Derby, Stampede Futurity Stakes, Midwestern Melvyn Stakes and Saskatchewan Derby have become household words with racing fans in the west and promotions such as the Canadian Derby Breakfast in Edmonton have been copied by every racetrack in Canada.

Major strength of the Western Canada Racing Association set-up lies in the fact that, as a managerial organization, the company operates on a non-profit basis, with every cent of profit from racing going directly into the coffers of the individual Exhibition associations, to further the civic work that these city-owned Exhibitions provide. Thus, no individual or privately owned corporation receive any business profit from the sport of thoroughbred racing, rather, the greatest benefit is to those members of the public in Calgary, Edmonton, Saskatoon and Regina who use the facilities provided by their Exhibitions on a year-round basis.

RECORD DAILY DOUBLE

The record Daily Double payoff consisting of the entire daily double pool amounted to \$10,-772.40 at Washington Park on August 14, 1939. One racegoer held a \$2.00 ticket combining Merry Caroline who paid \$20 to \$2 and Joy Bet who paid \$131.20 to \$2.

Jockey Isaac Murphy, the great Negro rider, rode 1,412 races during his career as a jockey. Murphy won 628 races for a winning percentage of .44, a record which still stands.

PATIENCE REWARDED

One of the largest losing streaks in history came to an end at Old Jamaica on October 19, 1951, when Kader, a five-year-old gelding, staggered home in front after 46 losing efforts. Despite his long losing streak he paid only \$18.00, probably because his rider was Willie Shoemaker.

DID YOU KNOW?

The longest time between winning races is held by the famous Earl Sande? Twenty years after retiring the "Handy Guy" made a comeback and turned in a winning effort.

Racing has a jockey named Robert Louis Stevenson and a trainer named Charles Dickens.

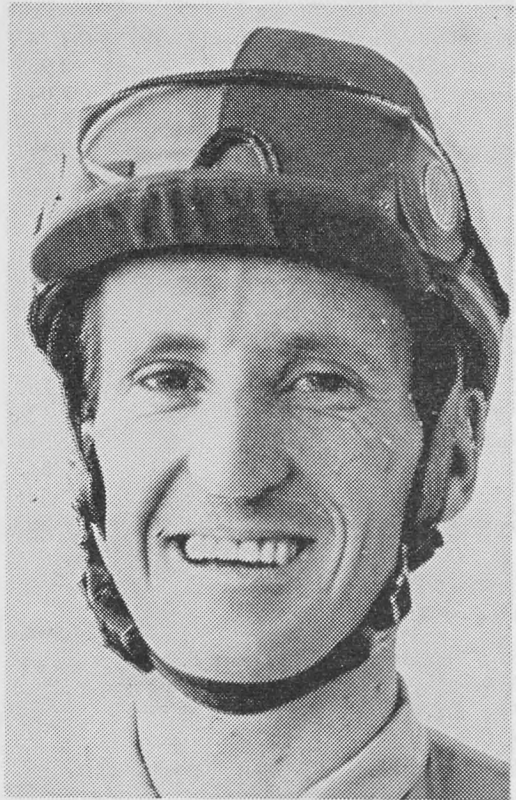

REMARKABLE RIDING FEATS

Once again, "Sandy" Shields came up with another season of remarkable riding feats. 1965, was "Sandy's" year and we believe he is very aptly named "The Derby King" of the Prairies, as he triumphed in not only the Saskatchewan and Canadian Derbies, he also rode to victory in both divisions of the Alberta Derby. As if this wasn't enough, he added wins in the Alberta Oaks, Teeworth Plate, Dominion Day Marathon, 1st Division of the Birdcatcher Stakes, Taber Handicap and the George Wolf Memorial Handicap (the latter two on the Lethbridge track). Seems like if you want to be in the "winner's circle," when it comes to the big ones, "Derby Sandy" is the one to put you there. He also rode three winners on a single card on nine occasions.

During the season, Frank Barroby, in the course of his "long hot summer" rode four winners on a single card, four times and three winners on a single card, eleven times, besides bringing in both halves of the double, six times.

Others in the three- and four-winner category were: D. Bowcut with two four-winner and two three-winner single cards; J. Whittle, a single four-win and three triples; G. Rasmussen, eight triple wins; T. Stadnyk, four triple wins (including both halves of the double on three occasions).

Dickie Armstrong had three winners, five times, E. Werre, four times, R. Correa, three, J. Anderson, four and N. Dubois, W. Bailey, D. Terry, R. Jensen, J. Dunn, K. Whittle each had a single three-winner.

ASSINIBOIA DOWNS

Increased public interest in Thoroughbred racing in Manitoba this year made it possible for Assiniboia Downs to record the 1965 season as the most successful since the track went into operation in 1958. Several new mutuel records were set as well as the highest purse distribution to horsemen in Manitoba's racing history.

In addition to new records being set for mutuel handles, Assiniboia Downs provided the richest Derby purse yet competed for with \$17,990. The Winnipeg Futurity also provided the richest purse, \$19,930, ever competed for in the Thoroughbred racing history of Manitoba.

One of the features of the 1965 race season was the appearance of Eastern and Western Canada owned horses to compete in the stakes events. The 17th running of the Manitoba Derby was won by Flyalong, who finished second in the Queen's Plate, owned by Tom Hays and Doug Weldon, of Ontario. The 36th running of the Winnipeg Futurity was won by New Flag, owned by the Golden West Farms of G. M. Bell, of Calgary. The Assiniboia Downs Gold Cup was won by Already Dia, owned by the Estate of P. J. Rock of Drumheller, Alberta and the R. James Speers Memorial Handicap was won by Phantom's Flower, owned by Liffman Ranches, Winnipeg.

A highlight of the season was the annual Derby Day breakfast, sponsored by the Manitoba Division H.B.P.A., which was attended by distinguished racing officials and owners from many parts of the United States and Canada.

BREEDERS' PREMIUMS, ASSINIBOIA DOWNS

Since 1925 when the Prairie Thoroughbred and Racing Association was formed to control and improve racing and breeding in Western Canada, more than \$250,000 has been paid to the breeders.

The Association is now mailing out cheques to breeders across Canada for horses they raised and who won breeder's awards at the 1965 Assiniboia Downs meeting.

Manitoba breeders will receive \$3,158.45; Alberta breeders \$1,977.90; Ontario \$674.65; British Columbia \$615; Saskatchewan \$410 and United States breeders, whose foals were dropped in Canada, \$180. A record total of \$7,016. Of this total some \$1,896 was won by the breeders of the first three horses in the Manitoba Derby and the Winnipeg Futurity.

Leading breeder was the Golden West Farm, Okotoks, Alberta, with \$632.90. Second on the list was former Winnipegger, Joe Tomlinson, whose breeding stock is at the National Stud Farm, Oshawa, with \$539.70. Third was the Green Valley Stock Farm of Darryl Lumax, Swan River, Manitoba, with \$479.85, who also placed first as leading Manitoba breeder.

Manitoba breeders represent all parts of Manitoba including Oak Lake, Bird's Hill, St. Laurent, Swan River, Brandon, Belmont, Portage La Prairie, etc. Breeding farms are increasing in number each year throughout all the prairie provinces and now form an important factor in the agricultural economy.

COMPLETE RECORD OF STABLES RACING IN WESTERN CANADA IN 1965

Just one year ago, the name of Joseph P. Wolf meant nothing to the racing colony of Alberta, but today, Wolf stands as the leading money-winning owner for the 1965 season.

Ably handled by the veteran trainer "Mike" Cojocar, Wolf color-bearers, headed by Mr. Brass, stakes star of the stable, chalked up 18 wins to earn \$32,541, exclusive of bonus payments and just enough to edge by the Lomar Stable of Edmonton.

Second on the list, was the Edmonton-based stable of Lloyd and Marjorie Wilson, under the nom de course of Lomar Stables, with earnings of \$31,833 (bonuses not included). Heading the list of Lomar performers, was the star of the Prairies, Chariot Chaser, who under the guidance of "Red" McKenzie garnered earnings of \$28,634.

Golden West Farms and Flamingo Stable, both capably trained by the joint handling of L. E. Dupont and Angus Fraser, took third and fourth spots in the money-winning ranks, with Golden West earnings of 29,337 and Flamingo Stable \$28,291. Golden West's New Flag and Flamingo's Willy Waltzer were their top performers.

There were 315 winning owners and of these 24 earned in excess of \$10,000. Listings cover the over-all picture. Winnings do not include W.C.R.A. bonuses.

WOODBINE

Woodbine, on the northwestern outskirts of Toronto, is the home of the Queen's Plate, the oldest continuously run stakes race in North America.

Woodbine, is the most famous name in Canadian racing. The original track of that name opened in 1871 in Toronto's east end, had its name changed to Old Woodbine in 1956 and became Greenwood in the spring of 1963.

The present Woodbine opened on June 12, 1956, on a 780-acre tract of land 25 miles from Toronto's city hall. The track consists of: One mile dirt, sandy loam, with two chutes, $\frac{3}{8}$ -mile and $\frac{7}{8}$ -mile. Seven-eighths mile turf track, with three chutes, $\frac{1}{4}$ -mile, $\frac{3}{8}$ -mile and 2 miles. A mile and one-eighth Marshall Turf Course. One mile dirt training track. Five-furlong turf galloping course. Homestretch of dirt track: 975 feet long.

FACTS YOU SHOULD KNOW ABOUT SLEEPING SICKNESS

(Infectious Equine Encephalomyelitis)

(Courtesy of Cutter Laboratories)

Because of the increase and prevalence of infectious equine encephalomyelitis, commonly known as sleeping sickness, we believe it may be of interest to horse owners to have some information regarding this killer.

Symptoms: High temperature, dullness or sleepiness usually observed at the onset. In acute cases the infected animals show inability to coordinate muscularly and may stagger and fall, being unable to rise. Some animals show convulsive movement of the legs and head. They usually have difficulty in swallowing and show spasmodic contractions of the face and neck. In milder cases vision may be impaired; the gait of the animal becoming irregular. Animals may support themselves by leaning against fences or buildings. Yawning and grinding of teeth are frequent symptoms.

Cause: May be two different viruses—Eastern or Western strain which attack the brain and spinal cord, causing irreparable damage (often resulting in death).

Transmittal: This disease is spread by mosquitoes and some other biting insects, which explains why it appears during the summer months. The disease does not spread from one animal to another by direct contact.

Prevention-Control: Vaccination is the only practical means for preventing encephalomyelitis as it is impossible to keep horses completely screened from biting insects. Mosquito control should be practised because the disease is carried by birds and can be transmitted from birds to man as well as horses. Vaccinations, ideally, should be completed, that is the second dose should be given, 30 days before the disease may be expected to occur. The vaccination injection should be made where harness, saddle, or other equipment will not rub. The neck is preferred.

Immunizing a mare in foal is not harmful to either the mare or the foal. The vaccination of a mare in foal will immunize the foal for only a few weeks after birth, therefore, the foal should be vaccinated with a full vaccine dose.

It is recommended that show animals or racing stock be immunized with Eastern-Western combination vaccine because of the probability of either strain in their travels.

SIRES OF TWO-YEAR-OLD WINNERS OF 1965

Winners of two-year-old events represent 52 different sires, four more than in 1964.

Leader for 1965, by a comfortable margin was *Pleiades 2nd, chestnut horse, 1955, by Nearco—*Solar System, by Hyperion. He was represented by five starters—four of them winners—including the 1965 champion two-year-old, Wily Waltzer, who amassed the sum of \$18,512 with five wins and a second in six appearances. This amount, added to the earnings of the other four starters gave an impressive total of \$24,583.

Second was *Royal Serenade, who was again, as in 1964, represented by only one starter, and once again came up with a brilliant performer—a daughter, New Flag, top money winner of the two-year-olds for 1965, with earnings of \$18,876.

Both top sires for 1965 are established south of the border, *Pleiades 2nd, in California and *Royal Serenade in Kentucky.

Following is a detailed record of the 10 leading sires of Western Canadian two-year-old winners this year, and also of all sires who had winners on Prairie tracks.

BANGTAIL VERSATILITY

Way back in nineteen thirty-four there starts a horsey tale,
How "Tiny" Holden headed south to see an auction sale;
He bought a mare called "Nepper Bell" and as the story goes
For just a dollar more, he got her foal, named "Tiny Toes".

So small and weak the foal appeared, in coat of red and roan
That in the buckboard he must ride, for they were miles from home.
But when they tried to lift him in, they found to their surprise
One could not judge this Thoroughbred by looking at his size.

Then he was broken in due time by Holden's family,
And worked his way into their hearts to stay eternally.
At turning crafty cow or bronc or bringing home the mail,
Or trust him with a child for school 'twas known he'd never fail.

Of Beau Orage and Storm Bell and Ginger, much is told,
Of Whisper Whim and Farnsfield, there's head-lines large and bold,
But Uncle "Toes" had run and won on Western circuit arc,
At steeplechase and stake race, he also left his mark.

As jumper and as hunter, he did rate among the best,
At six feet high or ten feet wide, he easy passed the test.
He won his share of trophies and of ribbons even more,
But hearts he won, we know, would run into a hundred score.

For mischief he would often spring a bolted granary door,
Or steal a foal in boyish prank to make its mother sore.
In 'fifty-nine at twenty-five, his maker called him home
And fond are all our memories of this strawberry roan.

—DESMOND HOLDEN

P.S.—

Nepper Bell, mother of Tiny Toes went on to found a line of winners on the racetracks of the West,

But to me, I think, the feats of Tiny Toes are the ones I like the best.

Besides Tiny Toes, what lovely memories for "Big Tiny Holden" looking back to Nepper Bell, the source,

Of his three Derby winners—Storm Bell, Farnsfield, and Beau Orage "the golden horse",
And all the other Holden "bells" who through thirty years of racing helped make his dreams come true.

I'd just like to say to "Tiny Holden", it couldn't have happened to a nicer MAN than you.

—DOT ACTON

X-RAY PROGRAM FOR YEARLINGS INAUGURATED AT SANTA ANITA

Santa Anita has inaugurated a voluntary knee X-ray program for unraced yearlings, whereby the owners and trainers of the juveniles can determine their horses' physical maturity and bone development before undergoing the rigors of racing.

X-rays of the young horses' knees will be taken at newly constructed facilities in the track's receiving barn. A special lead-lined room was built to house the portable equipment.

Santa Anita is underwriting the venture as a service to California horsemen and the results of the readings of the X-ray pictures will be made available to owners and trainers of the horses at no expense.

SIRES OF THREE-YEAR-OLD WINNERS OF 1965

With eight starters, five were winners of a total of 18 races. Combined earnings of \$43,240 included the impressive earnings of Chariot Chaser, top three-year-old of the Prairies and the first Thoroughbred in history to annex the Canadian Derby, Saskatchewan Derby and Alberta Derby. Chariot Chaser's earnings of \$28,634 for the season made her the winningest Thoroughbred in the history of the Western Canada Racing Association circuit.

*Tournoi, second in the money-winning category had 13 starters with 6 winners of a total of 19 races and earnings of \$19,680.

GREENWOOD

Most of the history of The Jockey Club Ltd., is to be found in the history of the Old Woodbine Race Track, now known as Greenwood. It was opened in 1874 on what is now the corner of Kingston Road and Queen Street in Toronto's east end. It was called Woodbine until 1956, when the prefix "Old" was applied to distinguish it from the spacious, ultra-modern New Woodbine facilities near Malton Airport. Not long after Old Woodbine's original grandstand was built, it burned to the ground, and was replaced in 1881 when The Ontario Jockey Club (as it was then called) was formed in June of that year under the chairmanship of Sir Casimir Gzowski, the aide-de-camp to Queen Victoria. The track was the setting for the Queen's Plate, highlight of the racing season, from 1883 to 1955. In 1883, Queen Victoria sanctioned the suggestion of the Governor-General, the Marquis of Lorne, that the race never be held outside Toronto. During the first 20 years of the racing classic, various Ontario cities had served as its site. Over the years, the track has undergone numerous face-lifting projects to keep pace with the changing times and increasing crowds. The most recent changes came two years ago when a new grandstand and clubhouse were completed, raising seating capacity to 14,000. The name was changed to Greenwood in 1963.

OWNED AND OPERATED BY LORD AND LADY RODERIC GORDON

TWO YEARS AGO . . . Denny Layzell the knowledgeable sportswriter and handicapper wrote a full page feature article in the Calgary Herald Week-End Magazine entitled, "SHADY SPRING FARM, WEST'S TOP NURSERY." After praising the quality of our breeding stock, he concluded by saying:

"Lord and Lady Gordon have to get these yearlings to the races to prove they are on the right track in an endeavour such as Shady Spring Farm, because they do not campaign their own stock. And, as everyone knows, the tracks are the show windows of the industry."

NOW . . . Two years later, during the summer of 1965, this is what these same yearlings and foals that Denny Layzell was talking about have done for their owners on the Western Circuit:

34 Wins - 30 Seconds - 31 Thirds - 25 Fourths

Horses sired by our stallions, out of our mares and out of visiting mares have rewarded their owners 356 times in less than 100 days of racing as follows:

99 Wins - 92 Seconds - 103 Thirds - 82 Fourths

We do not compete against the horses we sell. Everything of racing age is for sale.

THERE ARE FOR SALE AT SHADY SPRING FARM:

Weanlings, yearlings, two- and three-year-olds from our top mares and entered in races across Canada sired by the following stallions:
